**Subject:** RE: Consultation in relation to application P/2020/0061/HYBR

Thank you for your email of 02/07/2020, seeking HSE's observations on planning application P/2020/0061/HYBR for Hybrid Planning Application for the following development (major development); (i) Full Planning Permission for the erection of a B8 logistics warehouse, with ancillary offices, associated car parking, infrastructure and landscaping; and (ii) Outline Planning Permission for Manufacturing (B2) and Logistics (B8) development with ancillary offices and associated access infrastructure works (detailed matters of appearance, landscaping, layout and scale are reserved for subsequent approval). At Land to the West of Omega South and South of the M62 Bold St Helens

HSE is a statutory consultee for certain developments within the consultation distance (CD) of major hazard sites and major accident hazard pipelines, and has provided planning authorities with access to HSE's Planning Advice WebApp <https://pa.hsl.gov.uk>.

I should therefore be grateful if you would arrange for HSE's Planning Advice WebApp to be used to consult HSE for advice on this application, to see if it lies within the CD of a Major Hazard Site or Pipeline.

Should you or your colleagues need any additional help in using the new WebApp to obtain HSE's advice on a proposed development, a central support service is available at [lupenquiries@hsl.gsi.gov.uk](mailto:lupenquiries@hsl.gsi.gov.uk) or by telephone on 01298218159.
