Leanne

Further to the submission of WBC's position statement on 19th April 2021, we have been contacted by the applicant who have sought clarification regarding our position on Omega West given delays in the local plan. For the avoidance of doubt, Warrington Borough Council's position is that set out in the Development Management Committee (DMC) resolution as submitted to St Helen's Council during the consideration of the application (August 2020). Additional information contained in the position statement in relation to the status of the draft local plan was included in the interests of transparency.

For completeness I attach the 5th August 2020 DMC report and minutes, and WBC consultation response letter submitted to St Helens Council dated 12th August 2020.

Kind regards

Martha Hughes

PLEASE NOTE I DO NOT WORK FRIDAYS

Warrington’s Development Management service is now operating remotely and we have the technology and resources that we need to continue with our service delivery. We remain able to comment on pre-applications submissions, to validate and consider planning applications and to move the majority of applications to determination. However we will need to employ alternative operating procedures to deliver results due to the necessary introduction of restrictions on movement by Government. In some instances this may lead to delays. Where this is the case I will endeavour to liaise with you so that you are kept up to date with the situation. In the meantime you can continue to correspond with me electronically or, if the matter is urgent, call me on the number stated above if you would like to speak with me.
